PROPOSAL

ABOUT US

The Association of Women in Finance (the "AWF") is a non-profit association run by a group of finance professionals dedicated to supporting the advancement of women in finance in BC. AWF was founded in 1994 by Steph Sharp, Co-founder and CEO of 3DQue Systems Inc. and Sherry Tryssenaar, recently retired CFO of Rocky Mountaineer.

We are executives, bankers, lawyers, accountants, investment professionals, actuaries, venture capitalists, insurers and entrepreneurs. We work in both the private and public sectors across a wide range of industries.

OVERVIEW

The AWF holds several events annually to advance our cause, raise awareness of issues affecting women and celebrate the amazing achievements of remarkable, inspirational women in finance, and the men or women who champion their success. We proudly support diversity, equity and inclusion and welcome everyone to attend our events.

We are now offering the opportunity to secure sponsorships for the 2026 calendar year. The AWF programming in the upcoming year will in turn help us raise funds for our scholarship program. Confirming your sponsorship now will make a significant difference in the lives of many women and exponentially in generations to come as these talented women make their mark on the world. Opportunities include annual sponsorships at various levels with benefits throughout the year, event specific sponsorships and in-kind sponsorships.

SCHOLARSHIP FUND

An important part of the AWF's mission is to encourage women to enter the field of finance. One way we meet our mandate is through our scholarship and bursary program. Funds are raised each year at the Annual PEAK Awards Gala as well as from the generous support from corporate funds and individuals, where donors receive a tax receipt from the Vancouver Foundation. To date we have raised over \$484,331 in donations. There are 17 scholarships for a total of \$50,250 available each year given to women to help fund their education in finance. Please reach out to our Sponsorship team if you would like to donate to our scholarship fund.

WHY INVEST IN AWF?

WHAT WE DO

Education

- Offer 17 scholarships per year to finance students
